HELPING CHILDREN *to keep in the track* of their **DREAMS**

COMING BACK TO SCHOOL

The Cambodian children are back to school since October. This is the time when they start to prepare their messages for Christmas. In the different Don Bosco centers, there were activities to mark the beginning of a new academic year and the planning to get in touch with those who are helping them to fulfill their dreams.

Dear Sponsors of SSCR, Dear Fathers, Mothers, sisters, and brothers of our Don Bosco Children Fund in Cambodia,

MERRY CHRISTMAS and HAPPY NEW YEAR. All our children are studying, growing in a wonderful **Don Bosco style FAMILY atmosphere.** This year we will implement a new way of contact with you so that you can feel more near the child and youngster you are supporting. As sons and daughter of Don Bosco we would like to use all good means of new technology to bring us to feel we are side by side in helping our children to become good persons for a better society. We will establish **a direct line between you and Don Bosco Children Fund in Cambodia.** You can contact us by Facebook messenger, by WhatsApp, Skype, by phone and by email. Let the younger one in your family join you if you are not familiar using smartphones or laptops. **Let children become our teachers!** This will also be a chance to **educate the little ones in your family** to be aware of other needy situations the other side of the globe.

Don Bosco Children Fund has five branches: Phnom Penh, Sihanoukville, Battambang, Poipet and Kep. Each branch will keep close contact with the children and sponsors. We will send you news regularly by email or other means you prefer.

Thanks to SSCR supporters and sponsors for being part of Don Bosco Children Fund FAMILY in Cambodia.

MERRY CHRISTMAS and HAPPY NEW YEAR 2018!
